MIMS Hardware Options from RCS

EA630 Plus Rugged Smartphone

Model	Drop & Water Resistant	WiFi / Cellular	Charging Cradle	Display
EA630 Plus	NA	WiFi	Add-on	6 inch

High Performance 2D Scanner
The EA630Plus has a Powerful 2D scanning engine built in, featuring a laser aimer that enables the reading of high-resolution codes (down to 3 mils on Code 39 1D barcode). It is available to read EAN 100% at 541 mm distance (typical read range). Moreover, it enhances visibility to capture most 1D / 2D barcodes even in low-light or bright-light environments.

All-In-One Functionality
The Unitech EA630Plus continues progressing with an advanced Android12 system to optimize the high-performance 2D barcode experience, accelerating and improving labor productivity more than ever. The full-touch 6" Gorilla screen offers clear visibility up to 80% screen-to-body ratio. More extensive mobile storage mitigates the possibility of data being missed. The Ultra Slim Rugged Smartphone drives up stock management more efficiently in the retail, hospitality, and health service industries.

TC22 Mobile Computer

ZEBRA

Model	Drop & Water Resistant	WiFi / Cellular	Charging Cradle	Display
TC22	NA	WiFi	Add-on	6 inch

The Ultimate Cost-effective Tool for Small Businesses

Your small or mid-size business competes with industry giants that use the latest enterprise mobile devices to give workers a competitive edge — but the smartphones in your budget don't offer the features you need. Introducing the equalizer — the TC22 mobile computer. The third generation of the highly successful TC2x Series, the TC22 delivers the best of all worlds — smartphone styling and pricing, with big business features that boost productivity and customer service quality. This compact, powerful device offers a large 6 in. display.

The Best of Android — Today & Tomorrow

Support through Android 16 ensures you won't outgrow the operating system — you'll have access to the latest features every day your device is in service.

TC53e Mobile Computer

ZEBRA

Model	Drop & Water Resistant	WiFi / Cellular	Charging Cradle	Display
TC53e	Mid-range	WiFi	Add-on	6 inch

Faster. Smarter. More rugged. More sustainable. More secure. And a feature set that keeps pace with evolving business needs.

Introducing the latest addition to the top-selling TC5 Series, the TC53e. This device takes its place alongside the TC53, building on its feature set to meet the ever-evolving mobility needs of today's front line workers. Qualcomm's latest processor and Secure Element support improve power and security. Support for Wi-Fi 6E to provide the fastest wireless speeds, improving connection reliability and application performance. Constructed with 25 percent post-consumer recycled plastics, this device is the most sustainable TC5 Series device yet. The TC53e — everything your workers need to do business better.

MC3300ax Mobile Computer

Model	Drop & Water Resistant	WiFi / Cellular	Charging Cradle	Display
MC3300ax	Mid-range	WiFi	Add-on	4 inch

Powerful Features to Boost Productivity

You get reliable operation and peace of mind with an increased 6 ft./1.8 m drop specification across the operating temperature, triple the tumble specification (3,000 3.3 ft./1 m), and now IP64 dustproof sealing. Corning® Gorilla® Glass on the touch panel and scan window protects your investment from regular wear and tear.

The Perfect Combo: Touchscreen & Keypad

MIMS can utilize the entire display, while the physical keypad provides the same familiar user input experience your employees have today. In addition, the touchscreen paves the way to migrate to intuitive touch-based interfaces.

TC73 / TC78 Mobile Computers

Model	Drop & Water Resistant	WiFi / Cellular	Charging Cradle	Display
TC73	Ultra-rugged	WiFi	Add-on	6 inch
TC78	Ultra-rugged	WiFi & Cellular	Add-on	6 inch

The Ultra-rugged Mobile Computer Re-imagined for the New Age of Mobility

Introducing the TC73/TC78, a new generation of mobile computers designed for a new generation of mobile solutions. Streaming video, video calls, intuitive multimedia-rich apps, augmented reality apps that enable new, more effective workflows — the rugged, thinner and lighter TC73/TC78 supports them all.

More processing power for simultaneous app support. A 6-inch advanced display. More flexible battery options. Comprehensive wireless network support for unmatched performance and reliability — Wi-Fi™ 6E, 5G and CBRS. Bluetooth 5.2 for superior accessory performance. The next level in scanning performance with the SE4770 scan engine. Crystal clear voice on audio and video calls.
